Access to the Platform

Plain English Summary of our basic T&Cs

For Lenders:

To register as a lender, you must be at least 18 years old or a company (as outlined in Section 2). You may only lend your own money on the Platform. After you register as a lender on the Platform, you can add money to your Account by credit/debit card or bank transfer. Once you have money in your account, you can bid to lend that money to one or more of the business borrowers accepting bids for loans on the Platform, at the interest rate of your choice. There are a variety of loan types which may be made available by lenders on the Platform, including term loans or merchant cash advance loans (depending on the type of account you hold). You should familiarise yourself with each product, its features and risks before proceeding. If your bid is accepted by a borrower, you will have entered a legally binding loan contract with that borrower. The amount of your loan will be transferred from your Account to the borrower, and the borrower must make monthly (or daily) loan repayments which will be transferred back to your Account. We will deduct a fee from amounts paid by a borrower from each repayment received or an Asset Under Management Charge; this fee is dependent on the classification of your account which would be disclosed to you upon signing up or amending the classification of your Account. You can use the balance in your Account to bid on another loan, or you can transfer the money from your Account back to your bank account. Peer2Peer Lending is presently an unregulated activity in Ireland. GRID's role is to perform the administrative functions (including Security Trustee) necessary to enable prospective Borrowers and Lenders to negotiate, conclude and complete loans via the Platform in accordance with these GRID Terms and Conditions.

For Borrowers:

To register as a borrower, you must be a registered Irish limited company, sole trader, partnership, club or society, your organisation must not have any judgments registered against it and you must satisfy our 'know your customer' requirements. After you are registered as a borrower on the Platform, you can submit loan applications to finance your business funding requirements online through the Platform, for the amount and length of your choice. There are a variety of loan types available on the Platform, including term loans or merchant cash advance loans. You should familiarise yourself with each product, its features and risks before proceeding. By submitting a loan application, you have agreed to our privacy policy (Available on our website) and you confirm you agree to let us use the information you have provided to check your credit history and legal status with third parties such as the ICB, Experian or Vision-Net. You also agree to let GRID display your funding requirement on our online marketplace if we approve your application. If we display your funding requirement in the online marketplace, lenders on the Platform can bid to lend money to your funding requirement at the interest rate of their choice (or fixed pricing/ fees in some instances). Once the bids add up to the total loan amount (or a lower level acceptable to you) you have requested, you will be given the choice to accept or reject the loans. If you accept the loans, you have entered a legally binding loan contract with the lenders, and the loan amount will be transferred from the lenders into your Irish bank account. GRID fees, a percentage of the loan amount (5%-6% excluding VAT) will be deducted from the loan proceeds at disbursement to your nominated bank account (to the satisfaction of GRID) within 7 working

days from the date your loan is accepted and drawn down and an invoice will be issued for the GRID Fees. You will be required to set up a direct debit from your nominated Irish bank account for GRID to withdraw your monthly loan repayments for term loans. For Merchant Cash Advance Loans you will be required to direct your Merchant Card Receipts to a clearing account designated by GRID. If you reject the loans, you will be charged a fee for the cost of processing your loan application. If the bids for your funding requirement do not reach the total loan amount you have requested after a reasonable time, your funding requirement will be removed from the online marketplace and you will not be charged any fees. There are certain fees and penalties which you should be aware of below if repayment is not made, delayed or there is any any breach of the terms of the agreement. Peer2Peer Lending is presently an unregulated activity in Ireland. GRID's role is to perform the administrative functions (including Security Trustee) necessary to enable prospective Borrowers and Lenders to negotiate, conclude and complete loans via the Platform in accordance with these GRID Terms and Conditions.

About us

Our function is purely an administrative function, which is to access the Platform and the administration, collection and recovery of loans as necessary and appropriate. GRID owns the Platform.

- 2.6. GRID will carry out the relevant Anti-Money Laundering Requirements checks on its Lenders. You agree to provide all the relevant documentation and you authorise us to verify this information with third party providers of information.
- 2.7. If we are unable to complete any steps in your registration process, we will not register you as a Lender on the Platform.
- 2.8. You agree to abide by the GRID privacy policy and not to share information publicly in any manner (including without limitation on internet forums or on public boards) which you are not authorised to share.

Client Asset Management

- 3.1. Once you have been accepted onto the Platform you will be required to transfer funds into the Segregated Client Account before you make a Loan, which is managed by GRID. It is possible to transfer money through your online banking portal to the Platform client account, or lodging funds by debit. Once these funds have been received into the account you will receive a notification within 24 hours and the funds will be visible in your Account. You will only be able to bid on loans on the Platform once your funds have been received.
- 3.2. All funds that are transferred into the Segregated Client Account are segregated funds that do not form part of the assets of GRID. In the event of a cessation of GRID, these funds will remain available to each of the Lenders who are entitled to these funds.
- 3.3. The Segregated Client Account funds are held on deposit with a regulated credit institution
- 3.4. GRID holds client assets in trust in its Segregated Client Account and will use reasonable endeavours to voluntarily abide by the Central Bank of Ireland regulations on client asset management. Currently no interest is accrued in the Segregated Client Account. If in the future interest is accrued in the Segregated Client Account, it will be used to cover the costs of managing the Segregated Client Account.
- 3.5. GRID pools client funds into one Segregated Client Account held with a regulated Credit Institution. Detailed records are kept and reconciled daily which clearly outlines each Lender’s share of the Segregated Client Account.

Lending on the GRID Platform

- 4.1. To lend, a Lender must have first placed funds into the Segregated Client Account and have received confirmation that the funds have cleared. Funds deposited by that Lender to the Segregated Client Account will be held and administered by GRID pursuant to these GRID Terms and Conditions.
- 4.2. A Lender's lending limit is represented by its "**Current Balance**" which will be shown on the dashboard page of the Website. This will be the money that the Lender has individually deposited into and that has cleared in the Segregated Client Account but which it has not offered to lend or have loaned via the Platform. The available funds to lend will be reduced by the amounts that are offered on the Platform.
- 4.3. A Lender may submit an offer to lend funds to any Borrower that is disclosed on the Platform. This bid is then offered at a value of funds that the Lender wishes to lend and at an interest rate that it wants to charge.
- 4.4. We can refuse to act on any instruction that we believe:
 - a. was unclear;
 - b. was not given by the Lender;
 - c. might cause us to breach our legal or statutory duties; or
 - d. is using GRID for an illegal purpose.
- 4.5. By posting a bid on the marketplace a Lender is offering to enter a Loan Contract with a Borrower who meets its lending criteria. A Lender must have deposited sufficient cleared funds to its Account to be eligible to bid on a Loan (except where a provisional offer can be made for some customer types). The amount bid by a Lender for any Loan shall be blocked on its Account until such time as the Loan is accepted or rejected by a Borrower, or if not fully funded until the Loan offer expires, at such time it will be credited back to a Lender's Account. Once a Lender makes the bid it will be deemed to have electronically signed the loan conditions with the details of the bid that has been made. Each offer is open to be accepted by a Borrower. A Lender will not be asked to re-confirm its offer once the Borrower has accepted the offer. The Loan Contract will be formed automatically at that point.
- 4.6. In a situation where two Lenders make a bid at the same interest rate for the full amount of the Loan then the Lender who has bid first will have their bid ranked in preference of the second and subsequent bids.
- 4.7. Once each Loan is fully funded in advance of the deadline for further offers, additional offers for that specific loan may reduce the average loan rate.
- 4.8. If the amount that a Lender bids exceeds the amount required by the Borrower to fully fund the Loan, the Borrower will be able to borrow part of the amount that the Lender has bid. This will create a Loan part for an amount less than the original bid and effectively means that your bid has partially won.
- 4.9. All offers made onto the Platform are final offers capable of acceptance by a Borrower and cannot be withdrawn unless:
 - a. the loan request period expires (without being extended at the discretion of GRID) and/or the loan request is not funded sufficiently;
 - b. the Borrower declines to proceed (or withdraws the loan request) with a loan that includes the active bid;

- c. we discontinue the bidding process for a loan request at our sole and absolute discretion; or
 - d. the loan request has been fully funded by other active bids that have the lowest interest rate.
- 4.10. GRID's primary role is to perform administrative functions on behalf of Borrowers and Lenders, to bring prospective Borrowers and Lenders together, by providing access to the Platform, an efficient process for entering loans and to coordinate and facilitate the payment and collection of sums due under or in connection with those loans (including taking any legal actions on behalf of Lenders upon a Borrower's default or if the Borrower becomes, or is likely to become, insolvent, this is at the sole discretion of GRID).
- 4.11. The Lender retains complete control and discretion over whether or not to offer a Loan to a Borrower and on what terms the Loan is made. Nothing GRID does and nothing on the Platform is intended to operate or be construed as advice or a recommendation by GRID to enter a particular Loan. In some instances GRID will administer a Lenders account following receipt of explicit instructions.
- 4.12. GRID also assigns each Borrower a GRID Score and may display this GRID Score on the Platform in the format of a credit grade via letter. This GRID Score is based on GRID's proprietary credit model using financial information provided by the Borrower. GRID will attempt to validate information where possible but is not liable or responsible for the accuracy of the information provided by the Borrower.
- 4.13. While GRID adds value to the credit analysis as part of our underwriting exercise, the provision of a risk rating and/or GRID Score is intended to be informative only and a Lender must form its own opinion regarding the creditworthiness of a Borrower and undertake its own research, analysis and assessment of each Borrower for each Loan, and where appropriate, seek independent financial advice.
- 4.14. GRID accepts no responsibility and disclaims all liability for any information about a Borrower made available to prospective Lenders through the Platform or for the risk rating or for the GRID Score. GRID may, when further information becomes available, but accepts no obligation to, update or amend any Borrower's information, risk rating and/or GRID Score (including between when the loan request is first made and when it is entered).
- 4.15. Your usernames will form part of the loan contract between Lenders and Borrowers, in some instances this may include personal information depending on how you have labelled your account.
- 4.16. All attempts will be made to draw down facilities made available to Borrowers in a timely manner however in some instances depending on the complexity of the security arrangements and availability of Borrowers and third parties this can take some time. GRID accept no liability in relation to delays of drawdown of facilities.

Lender Fees and Charges

- 5.1. The fee applicable on your GRID account is determined by the type of GRID account you have. Please see Clause 9.8 (Lender Fees and Charges) per account to determine the structure.
- 5.2. From time to time we may give Lenders the option of contributing a certain percentage of the interest earned on all loans to a GRID Provision Fund.

- 5.3. We reserve the right to introduce new fees under these GRID Terms and Conditions from time to time, but we will only do so by giving you appropriate notice and we will make reasonable efforts to display this in a prominent part of our Website. We, in our sole and absolute discretion, reserve the right to waive, reduce or eliminate any of our fees under the GRID Terms and Conditions.
- 5.4. In the case of the cessation of GRID, a third-party credit servicing firm would be appointed to manage the loan portfolio. In such event there may be a change to the fee structure, notice of which would be provided to you at the relevant time. Should you wish to know more about the contingency plan please contact our customer support.

The auction process will determine the interest rate for each loan. The information on the loan request page can be edited at any time before the auction begins and any updates are to be emailed to customer care. Once the auction has started a Borrower will not be able to amend the loan request page until the auction period expires, if a Borrower accepts a loan it will not be able to amend the loan request page. If there are details that a Borrower believes are incorrect it can contact GRID directly and GRID will endeavour to address any issues that it may have at info@gridfinance.ie provided such would not in the opinion of GRID, at its sole discretion prejudice any contractual relationship established.
- 7.9. GRID gives each Borrower a risk rating at the time a loan request is processed which is based on information provided by external credit reference agencies and its scoring model. We may display this risk rating on the Platform. GRID does not check or edit the information submitted or uploaded by a Borrower. GRID is not liable or responsible for the accuracy of the online check made with external credit rating agencies.
- 7.10. While GRID adds value to the credit assessments as part of its credit review process, the provision of a GRID Score is intended to be for the Lender's information only. A Lender must form its own opinion regarding the creditworthiness of a Borrower and undertake its own research, analysis and assessment of each Borrower for each loan, and where appropriate, seek its own independent financial advice.
- 7.11. GRID accepts no responsibility and disclaims all liability for any information about a Borrower made available to prospective Lenders through the Platform or for the risk rating or for the GRID Score. GRID may, if further information becomes available, but accepts no obligation to, update or amend any Borrower's information, risk rating and/or GRID Score (including between when the loan request is first made and when it is entered into).
- 7.12. Once the loan is fully funded and you accept the results of the offer process, you automatically enter a Loan Contract with the Lender for each Loan and GRID as Security Trustee. A Loan Contract comprises of the following;
 - a. our standard loan conditions which are detailed in these GRID Terms and Conditions;
 - b. the loan application submitted, which is a legal document; and
 - c. the specific terms of the loan which are outlined when you accept the loan.
- 7.13. A Borrower shall have 3 working days from the end of the successful auction period to accept a fully funded Loan. Once the Loan is accepted, the Borrower has entered a Loan Contract with the underlying Lenders, with GRID as Security Trustee which, for the avoidance of doubt, is solely to perform administrative functions set out in these terms and conditions. The Loan monies shall then be transferred subject to satisfying any outstanding conditions from each of the relevant Lender Accounts by GRID to the

Borrower's Nominated Bank Account. Before the funds are released you will be required to set up a direct debit.

- 7.14. If a Borrower has accepted its loan offer and arranged for its direct debit to be set up, GRID may transfer the funds into the Borrower's Nominated Bank Account. GRID will collect and deduct the Borrower Fee from the loan monies to be disbursed and an invoice issued. The Borrower's Fee is set out in Clause 9.2 and specifically referred to in your Loan Contract.
- 7.15. If a Borrower's loan request is fully funded (or to a level acceptable to the Borrower)
 - a. there is no obligation to enter a Loan Contract,
 - b. you will have 3 working days to either accept or reject the Loan Contract; and
 - c. No interest will be charged until you have signed the Loan Contract.
- 7.16. Once a Borrower signs the Loan Contract it will not have the opportunity to withdraw from the Loan Contract. For the avoidance of doubt, a Borrower will be able to repay the full loan amount (including the interest due to lenders) subject to the terms of the Loan Contract.
- 7.17. If a Borrower's loan request has not been fully funded by the end of the auction period, GRID will remove its application from the Platform or consider whether a lower amount of funding is suitable and acceptable to the Borrower.
- 7.18. Upon completion of a successful term loan the Borrower will be required to set up a direct debit to facilitate the monthly repayments. The loan funds will not be transferred to the Borrower's Nominated Bank Account until the direct debit has been set up and all requirements are satisfied.
- 7.19. Securitisation: A Lender (or Lenders) may sell their interest(s) in your facilities at any stage. This does not impact upon your rights or amend the underlying terms of the contract.
- 7.20. In all Loan Contracts and loan part transfer documentation we will quote a Lender's address as being c/o GRID Finance Impact Limited, Trinity Enterprise Centre, Grand Canal, Dublin 2. Each Borrower agrees that all notices and communications that require to be given to a Lender will be sent to GRID on that Lender's behalf and that this is sufficient to identify the Lenders for the purposes of the Loan Contracts.
- 7.21. Where the Borrower does not accept the Loan or where it allows the offer to lapse (which will happen 3 working days after the auction period expires), no Loan will be made. If a Borrower does not accept the aggregated loan offer within this period its loan request will be cancelled, and any funds bid will be released back to the Lenders. There is no obligation on a Borrower to accept the bids. No interest will accrue until you have accepted the aggregated loan offer, though a fee is chargeable for not proceeding (clause 9.3).
- 7.22. By accepting a loan offer on the Platform, the Borrower will have been deemed to have signed the Loan Contract via an electronic signature.
- 7.23. Should any additional information come to light regarding a Borrower's financial circumstances during this process prior to advancement on the Loan, GRID reserves its rights to remove the loan facility from the Platform.
- 7.24. GRID reserves the right to and may request Borrowers to provide interim financial information and in such event the Borrowers shall provide such information within 5 business days of request they must comply with same.

- 7.25. GRID are authorised to and may carry out or request credit checks against the company, its directors and beneficial shareholders, sole traders at application or subsequent to or during the course of any Loan (this shall cease after a Loan is repaid)

The provisions of this Clause 8 apply to Merchant Cash Advance Loans. Choosing a Merchant Cash Advance Loan secured by Merchant Card Receivables:

- 8.1. From time to time, GRID may give a Borrower the option of choosing a Merchant Cash Advance Loan during the application process. Clause 8 (Merchant Cash Advances), applies specifically only to Borrowers who choose the Merchant Cash Advance Loan option and to the resulting loans. All other clauses of these GRID Terms and Conditions shall continue to apply to such Borrowers and to Merchant Cash Advance Loans save where they are expressly varied by this Clause 8 or where they conflict with the provisions of this Clause 8 (Merchant Cash Advance Loans).
- 8.2. If you accept a Merchant Cash Advance Loan through the Platform, you agree to assign 100 (one hundred) per cent of your Merchant Card Receivables to GRID as security for the duration of the Merchant Cash Advance Loan and to instruct your Merchant Card Operator to pay all of your Merchant Card Receivables to GRID or its nominated payment services provider for the duration of the Merchant Cash Advance Loan until the Loan is repaid in full to the Merchant Card Advance Lender. For the avoidance of doubt assignment of your Merchant Card Receivables to GRID means that the legal ownership and entitlement to the Merchant Card Receivables transfers to GRID as Security Trustee for the duration of your Loan. (Merchant Cash Advance Lender)
- 8.3. It is entirely at the discretion of GRID to determine what percentage of your Merchant Card Receivables, are applied in discharge of your Merchant Card Repayment Instalments ("Lender's Share"). GRID may increase the Lender's Share as required to ensure that the Merchant Cash Advance Loan is repaid in full on the final repayment date in the event that it appears to GRID, at its sole discretion, that (i) the projected Merchant Card Receivables will not be sufficient to discharge the Merchant Cash Advance Loan in full in accordance with the Merchant Cash Advance Loan Contract or (ii) in the event of non-payment of any sum under the Merchant Cash Advance Loan Contract.
- 8.4. If GRID and a Merchant Cash Advance Lender agree to provide you with a Merchant Cash Advance Loan you will be required to execute a Merchant Cash Advance Loan Contract and/or Security Assignment of your Merchant Card Receivables or such other security as the Merchant Cash Advance Lender may require together with such other documents as GRID or the Merchant Cash Advance Lender may require including but not limited to a notice of assignment to your Merchant Cash Operator of the assignment of receivables and the existence of the Merchant Cash Advance

Loan Contract (in each case in a form and substance satisfactory to GRID and/or the Merchant Cash Advance Lender (as appropriate) (collectively the “**Merchant Cash Advance Loan Documents**”).

- 8.5. The Merchant Cash Advance Lender or Lenders agree to accept the payment of your Merchant Card Receivables to GRID in repayment of the Merchant Cash Advance Loan, for so long as you comply with the terms of the Merchant Cash Advance Loan Documents and these GRID Terms and Conditions.
- 8.6. Your Merchant Card Receivables for each month must not fall below 90 (ninety) per cent of your Merchant Card Receivables for the same month in the previous year. If your Merchant Card Receivables for two consecutive months during the Merchant Cash Advance Loan period fall below 90% of your Merchant Card Receivables for the same two months in the previous year, you agree that GRID may, in addition to altering the percentage being received from your Merchant Card Repayment Instalment, may also begin collecting regular monthly repayments from your Nominated Bank Account by direct debit until the Merchant Cash Advance Loan and interest/fees are fully repaid. Such Instalments shall be calculated by GRID based on its estimate of the amount required to repay the Loan by its maturity date.
- 8.7. You agree to use one Merchant Card Operator to process all your Merchant Card Receivables and not to change from one Merchant Card Operator to another during the Merchant Cash Advance Loan term or without the consent of GRID (at its sole discretion) for the avoidance of doubt you the Borrower shall be responsible for any costs of such consent. You also agree not to revoke your Assignment Notice to any Merchant Card Operator to pay all of your Merchant Card Receivables to GRID or its nominated payment services provider.
- 8.8. You agree, and your servants and agents agree, not to take any action, make any omission or otherwise do anything which is likely to or has the effect of reducing your Merchant Card Receivables during the Merchant Cash Advance Loan term. If you are found to have intentionally diverted funds from the Merchant Card Receivables or your Merchant Card Receivables are not being paid to GRID an additional administration charge to the equivalent of 10% of the outstanding balance will be applied and payable immediately to cover, amongst other things, our anticipated additional operating expenses in our getting in of the Merchant Card Receivables (including but not limited to liaising with any new Merchant Card Operator). You expressly acknowledge that such additional charge constitutes a fair and reasonable pre-estimate of our likely costs and expenses in performing this service on your behalf and is not a penalty.
- 8.9. If your aggregate Merchant Card Receivables paid to GRID cover the full repayment of the Merchant Cash Advance Loan and interest/fees before the end of the Merchant Cash Advance Loan term, we will stop accepting receipts from your Merchant Card Operator and will refund any excess receipts to your Nominated Bank Account.

- 8.10. If your total Merchant Card Repayment Instalments of Merchant Card Receivables paid to GRID do not cover the full repayment of the Merchant Cash Advance Loan and interest/fees at the end of the Merchant Cash Advance Loan term, the remaining balance shall be due 5 days from the end of the loan term in one bullet repayment. We will collect this remaining balance from your Nominated Bank Account by direct debit unless otherwise agreed. Should any balance remain outstanding 5 days from the end of the loan term the remaining balance will begin to accrue a default rate of 2.0% per month.
- 8.11. All efforts will be made to transfer net Merchant Card Receivables to the Borrowers nominated account in as timely a manner as possible. There may be instances where delays from Merchant Card Operators, bank clearing systems and other banking partners may result in unexpected temporary delays. GRID accept no responsibility or liability for any delays in transmission of these funds. All efforts will be made to advise Borrowers of any issues or delays as they arise.

22.43. Acceptance of title

The Security Trustee shall be entitled to accept without enquiry, and shall not be obliged to investigate, any right and title that the Lender may have to any of the Security and shall not be liable for, or bound to require the Lender to remedy, any defect in its right or title.

22.44. Winding up of trust

If the Security Trustee determines that:

- (a) all of the Secured Obligations and all other obligations secured by the Finance Documents have been fully and finally discharged; and
- (b) no Lender is under any commitment, obligation or liability (actual or contingent) to make advances or provide other financial accommodation to the Lender or the Borrower pursuant to the Finance Documents,

then:

- (i) the trusts set out in these GRID Terms and Conditions shall be wound up and the Security Trustee shall release, without recourse or warranty, all of the Security and the rights of the Security Trustee under these GRID Terms and Conditions; and
- (ii) any Security Trustee which has resigned pursuant to clause 22.33 (*Resignation of the Security Trustee*) shall release, without recourse or warranty, all of its rights under the Finance Documents.

22.45. Powers supplemental to Trustee Acts

The rights, powers, authorities and discretions given to the Security Trustee under or in connection with the Finance Documents shall be supplemental to the Trustee Acts 1893 to 2009 (as amended)(the “**Trustee Acts**”) and in addition to any which may be vested in the Security Trustee by law or regulation or otherwise. The Security Trustee shall be competent to act for all purposes including the receipt of capital monies and notices.

22.46. Disapplication of Trustee Acts

Where there are any inconsistencies between the Trustee Acts and the provisions of these GRID Terms and Conditions, the provisions of these GRID Terms and Conditions shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Acts, the provisions of these GRID Terms and Conditions shall constitute a restriction or exclusion for the purposes of the Trustee Acts.
